Shalom,

VISION is organizing a “**Stand with Israel**” rally Wednesday, August 24th, 2011, 5-8pm at Veteran’s Park, Manchester, NH. You are invited to be a part of this historic event and stand with Pastor Richard Brown and Rabbi Joshua Segal as they recite Psalm 122:6-9 in English and Hebrew to begin the rally. We also are asking for your support by posting the enclosed flyer in your place of worship and encouraging your congregants to come to Manchester and **Stand With Israel!**

Become part of a non-partisan nationwide movement to focus attention on one of America’s closest and most threatened allies - the Nation of Israel. There has never been a more crucial time to **Stand With Israel** than RIGHT NOW!

Why **Stand With Israel**? Dr. Richard Booker has written “As a Christian minister, living in America, I recognize the great civil, moral, spiritual, and material debt I owe to the Jewish people and Israel. There is no way I can ever repay this debt. I can only show my gratitude by loving and serving the God of Abraham, Isaac, and Jacob, speaking out against anti-Semitism and standing in solidarity with the people of Israel.”

The age old anti-Semitism is now disguised as anti-Israel or anti-Zionism. Israel is in the news everyday. Her enemies are rewriting her history, turning the world against her and threatening to destroy her. God warned of this special hatred against the Jewish people and promised to “bless those who bless them and curse the one who curses them” (Genesis 12:3)

We believe that the Jewish people have a right to live in their ancient land of Israel. That there is **never** an excuse for acts of terrorism and that Israel has the same right as every other nation to defend herself.

Israel seeks peace. Peace requires partners. Israel has made painful concessions for peace whenever there have been willing partners. But as Charles Krauthammer wrote “Israelis are cautious. They remember the terror of June 4, 1967 just prior to the Six Day War when Israel in possession of no occupied territories whatsoever, the entire Arab world was furiously preparing Israel's imminent extinction. **And the world did nothing.**”
