

## European Life Died in Auschwitz

*The following is a copy of an article written by Spanish writer Sebastian Vilar Rodrigez and published in a Spanish newspaper on Jan. 15, 2008. It doesn't take much imagination to extrapolate the message to the rest of Europe - and possibly to the rest of the world. It Was in a Spanish Paper Date: Tue. 15 January 2008 14:30 by Sebastian Vilar Rodrigez*

I walked down the street in Barcelona and suddenly discovered a terrible truth - Europe died in Auschwitz ... We killed six million Jews and replaced them with 20 million Muslims. In Auschwitz we burned a culture, thought, creativity, and talent. We destroyed the chosen people, truly chosen, because they produced great and wonderful people who changed the world.

The contribution of this people is felt in all areas of life: science, art, international trade, and above all, as the conscience of the world. These are the people we burned.

And under the pretense of tolerance, and because we wanted to prove to ourselves that we were cured of the disease of racism, we opened our gates to 20 million Muslims, who brought us stupidity and ignorance, religious extremism and lack of tolerance, crime and poverty, due to an unwillingness to work and support their families with pride.

They have blown up our trains and turned our beautiful Spanish cities into the third world, drowning in filth and crime.

Shut up in the apartments they receive free from the government, they plan the murder and destruction of their naive hosts.

And thus, in our misery, we have exchanged culture for fanatical hatred, creative skill for destructive skill, intelligence for backwardness and superstition.

We have exchanged the pursuit of peace of the Jews of Europe and their talent for a better future for their children, their determined clinging to life because life is holy, for those who pursue death, for people consumed by the desire for death for themselves and others, for our children and theirs.

What a terrible mistake was made by miserable Europe.

A lot of Americans have become so insulated from reality that they imagine America can suffer defeat without any inconvenience to themselves.

No, I really don't see a pattern here to justify profiling, do you? So, to ensure we Americans never offend anyone, particularly fanatic's intent on killing us, airport security screeners will no longer be allowed to profile certain people. They must conduct random searches of 80-year-old women, little kids, airline pilots with proper identification, secret agents who are members of the President's security detail, 85-year old Congressmen with metal hips, and Medal of Honor winner and former Governor Joe Foss, but leave Muslim Males between the ages 17 and 40 alone lest they be guilty of profiling.

Let's send this to as many people as we can so that the Nancy Pelosis, Gloria Aldreds and other dunder-headed attorneys along with Federal Justices that want to thwart common sense, feel ashamed of themselves - if they have any such sense.

We cannot allow the socialist transformation being brought on by the current administration to continue. Look at what it has done to Europe. We all must stand together before it's too late and everything America stands for is lost.

The Jews are NOT promoting brain washing children in military training camps, teaching them how to blow themselves up and cause maximum deaths of Jews and other non-Muslims. The Jews don't hijack planes, nor kill athletes at the Olympics, or blow themselves up in German restaurants. There is NOT one single Jew who has destroyed a church. There is NOT a single Jew who protests by killing people.

The Jews don't traffic slaves, nor have leaders calling for Jihad and death to all the Infidels. Perhaps the world's Muslims should consider investing more in standard education and less in blaming the Jews for all their problems.

Muslims must ask 'what can they do for humankind' before they demand that humankind respects them.

Regardless of your feelings about the crisis between Israel and the Palestinians and Arab neighbors, even if you believe there is more culpability on Israel's part, the following two sentences really say it all:

'If the Arabs put down their weapons today, there would be no more violence. If the Jews put down their weapons today, there would be no more Israel'. (Benjamin Netanyahu)

General Eisenhower Warned Us: It is a matter of history that when the Supreme Commander of the Allied Forces, General Dwight Eisenhower, found the victims of the death camps he ordered all possible photographs to be taken, and for the German people from surrounding villages to be ushered through the camps and even made to bury the dead.

He did this because he said in words to this effect:

'Get it all on record now - get the films - get the witnesses -because somewhere down the road of history some bastard will get up and say that this never happened.'

Recently, the UK debated whether to remove The Holocaust from its school curriculum because it 'offends' the Muslim population which claims it never occurred. It is not removed as yet. However, this is a frightening portent of the fear that is gripping the world and how easily each country is giving into it.

It is now more than 60 years after the Second World War in Europe ended. This e-mail is being sent as a memorial chain, in memory of the, 6 million Jews, 20 million Russians, 10 million Christians, and 1,900 Catholic priests who were 'murdered, raped, burned, starved, beaten, experimented on and humiliated' while the German people looked the other way.

Now, more than ever, with Iran, among others, claiming the Holocaust to be 'a myth,' it is imperative to make

sure the world never forgets.

This e-mail is intended to reach 400 million people. Be a link in the memorial chain and help distribute this around the world.

How many years will it be before the attack on the World Trade Center 'NEVER HAPPENED' because it offends some Muslim in the United States?

Do not just delete this message; it will take only a minute to pass this along. Wake up America before it's too late!
