## **What American Jews Should Know About J Street**

Would it be helpful for American Jews to know that George Soros is funding J Street? Why?

Would it be helpful to American Jews to know that \$800,0000 poured into J Street from one woman in Hong Kong?

Would it be helpful to American Jews to know that folks who lead the Boycott, Divestment and Sanction against Israel were welcome presenters at J Street's 2011 conference?

Would it be helpful to American Jews to know that Daniel Levy, co-founder of J Street, lobbied Congress with Judge Goldstone to accept the Goldstone report? Now that Goldstone recanted his report, has J Street?

Would it be helpful to American Jews to know that Daniel Levy lobbied against a Congressional letter condemning Palestinian incitement signed by forty-six members of Congress which was written in response to the recent SLAUGHTER of the Fogel family?

Would it be helpful to American Jews to know that Daniel Levy, co-founder of J Street, stated at the 2011 J Street Conference that "Israel ain't a very good idea?"

Would it be helpful to the American Jewish Community to know that J Street does not seem to be welcomed by most Israelis?

Are J Street's actions HELPFUL to Israel's quest for PEACE and SECURITY?

WOULDN'T IT BE HELPFUL if the American Jewish Community would recognize that Israel is a sovereign country and has the right to make its own decisions and has an obligation to protect its citizens.
